Dear Mr. Weisberg:

This is just a short note to thank you for referring me to the Collector's Archives in Quebec. I wrote them a letter and they have already sent me some literature on items they have available. They have a videocassette that has many films of the assassination (Zapruder, Nix, Muchmore, Hughes, Bronson, etc.) on it. It is just what I was looking for, and so I ordered a copy. They also have many other items: tapes, books, etc. I was glad to have learned of this place.

I will regard any commentary on the films critically, as I have learned that in this field particularly, things are not always as they seem.

Thanks once again,

George Curtis
